ENDURING

quality Accoya® windows and doors, for years to come

Manufactured by

Accoya® and the Trimarque Device are registered trademarks owned by Titan Wood Limited, a wholly owned subsidiary of Accsys Technologies PLC, and may not be used or reproduced without written permission. Accoya wood should always be installed and used in accordance with the written instructions and guidelines of Accsys Technologies and/or its agents (available upon request). Accsys Technologies accepts no liability for any defect, damage or loss that may occur where such written instructions and guidelines are not adhered to.

ACCOYA®

delivers quality that lasts

Accoya turns everything you know about wood on its head.

Through a revolutionary scientific process called acetylation, it modifies wood to give it properties that exceed hardwoods, and other materials such as PVC and aluminium.

Here are some of the benefits of Accoya for your windows and doors:

Performance

Accoya windows and doors are highly stable and durable. They do not shrink, swell or distort and will open effortlessly all year round. Naturally insulating, and a 40% thermal conductivity improvement over hardwood, they'll help keep your home cosy and your energy bills down. A 50 year warranty also means you'll get to enjoy your windows or doors for a lifetime.

Finish

Accoya is the perfect material for coatings. Because of Accoya's amazing stability, coatings last longer than on other wood species, meaning lower maintenance in years to come.

IDEAL FOR COATING

VERY LOW MAINTENANCE

Sustainability

Accoya is a natural wood product sourced from sustainably managed FSC® certified forests. With no plastic, resin or other harmful additives Accoya is 100% non toxic, making it the ideal environmental choice.

About us

Phillips Joinery Ltd was started by the father of the owners in 1964 and in 1971 was one of the first companies on the Ashbourne Airfield estate. In 2005 we opened our second office in Derby. We are very proud that many of our production team have served their apprenticeships with us and are now long term employees.

Our outstanding service has meant customers both locally and nationally return to us for all their woodworking needs.

Whatever your Woodworking or Joinery requirements, we can handle it comfortably and expertly. Phillips Joinery Ltd is a member of the British Woodworking Federation and is assessed and monitored to make sure the work we do for you is of the highest standard.

Nothing is mass produced and we provide a complete survey, design, manufacture, decoration and delivery/installation service.

We are Accoya "Approved Manufacturers" which is an extremely stable and rot resistant wood of choice for all external joinery.

We produce curved/arched work and will match existing sections. No preconceptions. We work with commercial, trade and private buyers and provide a free survey and quotations.
