Waste Management Policy

It is the policy of Phillips Joinery Ltd to take active steps to minimise waste in a manner that is environmentally responsible and befitting of a good corporate neighbour and citizen. To further this policy Phillips Joinery Ltd shall:

- Endeavour to minimise waste from the manufacturing process. This will reduce environmental impact and contribute to profitability.
- Utilise unavoidable waste in combustion for heating purposes.
- Utilise professional waste transfer agents for disposal of waste that cannot be re-used.
- Undertake and maintain registration with the Environment Agency for hazardous waste.
- Recycle where appropriate and efficient.
- Raise awareness and encourage participation of employees
- Implementing the use of recycled materials where appropriate.
